

HÖCHSTER PORZELLAN-MANUFAKTUR
1746

Guided tours of the adventure factory with a new concept

World of porcelain experience

In the Höchster Porzellan-Manufaktur, founded in 1746 as a porcelain factory of the Elector of Mainz, art, lifestyle, production and experience merge.

Currently, the manufactory is in its 275th anniversary year.

Semi-annually changing themes and related designs - in cooperation with young artists and porcelain artists of the manufactory enable a completely new perception of modern porcelain.

Arts and crafts combined with zeitgeist - in exceptional quality.

Experience the show workshops of the Höchster Porzellan-Manufaktur:

Following COVID 19 guidelines, such as distance rules and mask requirements, you will be guided through the manufactory by professional guides.

Standard booking (execution depending on the current Covid 19 situation).
